South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Forest Hills Elementary is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing an environment where positive attitudes are working together for success. We provide this environment through the implementation of our school vision: nurturing learning among all members of the FHE community. We demonstrate this each day by the rigorous and challenging curriculum our teachers use. Our teachers work diligently to meet the varied needs of our students each day. They use effective strategies such as small group instruction in reading and math, differentiated instruction in all subject areas, First in Math, Accelerated Reader, Mastery Connect, focused writing prompts, math and reading interventionists, and science kits. At Forest Hills Elementary, we have other programs outside of academics to focus on the development of the whole child. We focused on mentoring our students this year. Our staff mentored and worked with certain students all year long to help these students with communication and life skills. We continued to use the Positive Behavior Interventions and Support (PBIS) program. This program rewards our students for displaying positive behaviors. Our students earn paws and they must meet a set goal in order to attend our PAW parties. Our yearly average was over 80% for participation at our PAW parties. Officer Marshall Morehead with the Walterboro Police Department continued with our Drug Abuse Resistance Education (D.A.R.E.) program with our fifth grade students. Officer Morehead worked each week for an entire semester with our fifth grade students. A program was held and certificates were awarded to all of our fifth grade students for completing the program. The Friends of the Colleton County Animal Shelter (FOCCAS) worked with our fourth grade students on pet responsibilities. All of our fourth grade students completed this program and received their certificates. Ms. Sheila from the Colleton County Library also worked with all of our students to participate in the programs and activities that our County Library offers. Forest Hills Elementary also partnered with Lowcountry Hospice to hold a food drive to support food pantries at several local churches. We also partnered with the March of Dimes Walk for Babies, and Jump Rope for Heart. At Forest Hills Elementary, we believe that our mission is to nurture, inspire, and guide today's children for success in tomorrow's world. We have a great staff, students, and parents who are working diligently to support our students in becoming our future South Carolina graduates and world leaders! Forest Hills Elementary is indeed a school where positive attitudes are working together for success! Cindy S. Riley, Principal Jill Cox, Chair of the School Improvement Council
